

**1<sup>st</sup> Visit is  
always FREE**

Play-N-Learn classes at HPNC provide opportunity for young children and their caregivers to enjoy one another's company while participating in a combination of informal playgroups and semi-structured learning activities. Classes are intentionally designed for young children between the ages of infant and 4 years old. With regular attendance and attentive adult support, young children will find opportunities to master key developmental milestones in every domain.

Please note: Enrollment forms must be on file for each child attending HPNC's Play-N-Learn and every child must always be supervised by an adult (max adult: child ratio 1:3).

**Prices:** Prices below are for Fall- 2018. Siblings receive a 50% discount.
