**Early Childhood
Play-N-Learn
Summer 2019
(June 24th – August 23rd)**

Play-N-Learn classes at HPNC provide opportunity for young children and their caregivers to enjoy one another's company while participating in a combination of informal playgroups and semi-structured learning activities. Classes are intentionally designed for young children between the ages of infant and 4 years old. With regular attendance and attentive adult support, young children will find opportunities to master key developmental milestones in every domain.

Please note: Enrollment forms must be on file for each child attending HPNC's Play-N-Learn and every child must always be supervised by an adult (max adult: child ratio 1:3).

Prices: Prices below are for Summer 2019. Siblings always receive a 50% discount.
